## LE ROSÉ

---

### GRAPES

46% Chardonnay

36% Pinot Noir 6% in red

18% Meunier

A blend with the highest level of Chardonnay to compensate for the vinosity of Pinot Noir, especially the red one. It is the fruit of the last vintage plus 45% of reserve wines from the previous two vintages then two years of yeast fermentation and extra brut dosage 2,3 g/l. An elegant rosé created from the red citrus fruits and the fruit giving it a fresh, lively and crisp flavour. It is a subtle rosé, combined with a soothingly fresh and brilliantly clean taste making it ideal as an aperitif or as a table wine.
