

Alberto
MASSUCCO
CHAMPAGNE

100%

GRAPES

100% Chardonnay

A Chardonnay obtained from Grand Cru villages of the Côte des Blancs. This champagne is fermented naturally together with *vins de réserve*. It enchants with its freshness, finesse and minerality. To the taste, it opens with notes of fresh citrus and Mediterranean herbs, slowly releasing a hint of cedar and thyme. It masterfully captures the fragrance of the delicate white flowers of pittosporum and gardenia. A journey that leads, through its fine *perlage*, towards fragrant notes of bread and *brioche*, which are softly released while maintaining its vivacity and persistence.
