

CUVÉE MIREDE

GRAPES

100% Chardonnay

This champagne is a tribute from Alberto to his wife Mirede. Made with grapes of Grand Cru from Mesnil and Oger combined with grapes from the first vineyard of the first vineyard on property and from reserve wines. Persuasive and gentle, charming and sensual. The ripe touch of apricot, quince and marzipan give way to the intensity of coffee and hazelnut, closing with a vibrant and persistent hint of bitter almond. Its rich and luminous personality make the *cuvée* Mirede a rare expression of the woman to whom it is dedicated.
