

MON IDÉE DE CRAMANT 2014

GRAPES

100% Chardonnay

100% Chardonnay grapes exclusively from the Grand Cru village of Cramant in the *Côte des Blancs*. Complexity and territoriality of great prestige underline its purest essence. 2014 harvest, this champagne was not dosed precisely to retain its natural richness of detail, as well as the vibrant freshness of its taste and olfactory notes that persist like a gothic caress. A unique Champagne, Alberto Massucco's masterpiece, able to embrace all the senses thanks to its softness, which is complemented by the memories and sensations of Burgundy overlooking the Champagne region. Gold is the *ouverture* to an intense fragrance combined with a light touch of oxidation that amplifies hints of pastry, sweet exotic fruit, candied citron and yellow wintersweet flowers, closing with a note of roasted mocha. After resting 10 years on yeast lees, this champagne is chiselled to the tiniest detail, and seduces from the first meeting with a slow crescendo of pleasure, sip after sip.
